Dear Mr. Badger and Mr. Jackson:

**RE: Submission for Swan Hills Treatment Centre, EPEA Application 12 - 1744**

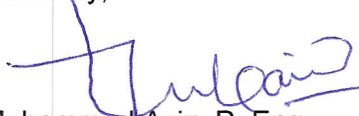

Thank you for your letter dated June 8, 2015 expressing concerns about this application. In order to consider your submission as a valid statement of concern, we require further information from you.

One of the criteria that must be demonstrated in order for the submission to be considered a valid statement of concern is that the submitter must demonstrate that it is directly affected. Please explain the nature of your organization and how it or its members are directly affected, in particular with reference to where Keepers of the Athabasca members live and the location of the Swan Hills Treatment Centre.

Please submit your response before or on **July 23, 2015**, otherwise we will not consider your submission as a valid statement of concern. If this occurs, you may be precluded from appealing to the Environmental Appeals Board on any decisions taken with respect to this application.

If you have any questions regarding the process that is being followed in our review of this application, please contact Sandra McDougall at 403-297-6385.

Sincerely,

Muhammad Aziz, P. Eng.
